

National Digital Literacy Conference, November 2014

Venue: The Xara Lodge, L/O Rabat

Dates: Friday 21st & Saturday 22nd November

Objectives

The internet is a key part of everyday life in our school communities. The aim of this conference is to raise the awareness of children, young people, families, adults and those who work with them, about e-citizenship issues, specifically law, rights & responsibilities and etiquette. This event will be an opportunity for all stakeholders to team up and discuss issues pertaining to the local scenario.

It is envisaged that the proceedings of this conference will lead to the formulation of a set of guidelines for educators.
